

## Our Motto

"To mould and shape students in such a way that they can hold their own in this competitive era with confidence and dignity"

## Our Vision

St. Peter's School was established in the year 2002. The institution has made a niche for itself in a matter of just few years. The focus is on the overall development of the child. The school believes in a holistic approach. Self Discipline is encouraged and no form of capital punishment is allowed. We believe that every child is unique and an effort is made to cater to their individuality. Multiple intelligence being the need of the hour, different approach is adopted to take care of the children.

The founders **Mr. Collins & Mrs. Flavia Albuquerque** are visionaries. They have a passion for education and want to instill a love for learning and discipline among the students. The school has many branches all over the country including Mangalore, Aurangabad, Jalgaon etc. This school has been a dream turned into reality.

St. Peter's School is affiliated to I.C.S.E board, Delhi. (Code KA121)  
We have classes from Nursery to Std - X.
